FIND YOUR HAPPY (fire)PLACE.

Throughout the ages, people have gathered around fires to share in life’s greatest joys.

There’s just something about the glow of flickering flames that makes special moments feel even warmer.

A Napoleon fireplace is uniquely designed to brighten the vibe of any room in your house. Napoleon has an incredible range of designer options to fit any vision.

A fire not only raises the warmth and ambiance of a room, it can raise the value of your home. A fireplace offers some of the highest returns of any remodeling project. And that should make you feel good all over.

And so you can keep enjoying that positive glow for years and years and years to come, every Napoleon fireplace is backed by the President’s Limited Lifetime Warranty.

Napoleon’s Hot Spots Research Study delivers insights on key areas of the home. In particular, how to help you add relaxation, social interaction and functionality to rooms to enhance your memorable moments.

Throughout this brochure we will share some of our insights with you.

Surrounded with a protective cast aluminum jacket, the precision valves allow for ultimate reliability and 100% SAFE GUARD™ gas control system.

Minimum 30% savings on heating costs with Zone Heating
Zone Heating means you are heating the rooms that you use the most with an alternate heat source, like a Napoleon gas fireplace. Zone Heating is the obvious solution for families concerned about rising fuel costs.

Outstanding Craftsmanship
Fine details are designed in every aspect of Napoleon fireplaces... individually handcrafted with pride of excellence to last a lifetime.

Safety Screens
Napoleon, leaders in design & technology have developed safety screens with aesthetically pleasing designs for every gas appliance to ensure ultimate safety and peace of mind for your family.
