ASCENT™ AND ACIES™ LINEAR SERIES GAS FIREPLACES
napoleonfireplaces.com
Napoleon’s Ascent™ Linear and Acies™ series boasts beauty and performance. These linear gas fireplaces can match any room décor or can be styled to be a focal point in your room.

Their linear look is specifically designed to provide you with a sophisticated fire element that is perfect for both new building and renovation projects. They provide a complete luxurious experience delivered courtesy of the Divinity™ flame pattern. With the Acies™ Series you can double the enjoyment and double the statement you make in your home with the See Thru model.

Choose from a broad selection of designer options including surrounds, colored glass, river rocks, driftwood logs, media enhancement Kits and more!

Acies™ Series Features & Specifications .................................18 - 19
The Napoleon Ascent™ Linear Series are perfect for homeowners, remodelers and custom builders. The Ascent™ Linear 36 and Ascent™ Linear 46 come standard with an exclusive Topaz CRYSTALINE™ ember bed that can be switched out to a completely new look and feel with the Shore Fire, Beach Fire and Mineral Rock Kits which include a variety of rocks, sand, logs and vermiculite.

Mobile Device Controlled
Napoleon’s eFIRE app will revolutionize the way you use your fireplace. We have cracked the code and present to you the first fireplace to be controlled by Bluetooth® technology, using an intuitive app on your mobile device. Napoleon’s eFIRE app controls every function of your fireplace including; on/off, flame height and blower speed for total convenience. (Optional for the Ascent™ Linear Series)
